### ROBBED AND ARRESTED. Mrs. Judd Roughly Handled in

Long Island City. LONG ISLAND CITY, July 5 .- Mrs.

Lillie Judd, a respectable married woman, living with her husband at 89 First avenue, New York City, was First avenue, New York City, was arrested last night by Officer Garrity, of the Second Precinct. She was arraigned before Judge Ingraham, in the Long Island City Court, this morning on a charge of disorderly conduct and discharged.

Mrs. Judd visited her brother, who lives in Astoria, yesterday. In returning to New York, she boarded a Steinway car to get to the Thirty-fourth Street Ferry. Some short time after paying her fare, and as the car turned into Borden avenue, Mrs. Judd discovered that some thief had stolen her pocketbook, which contained \$10.27. She at once informed the conductor, and Inspector Conklin, of the road, was notified.

notified. Officer Garrity, who was on post just above the ferry, was called by the inspector. It is alleged that without waiting to learn any of the particulars of the case he caught Mrs. Judd by the back of the neck, pulled her from the car and dragged her to the sidewalk. Still holding her with one hand he reached for his club with the other. Mrs. Judd screamed, and in endeavoring to step back to escape the expected Mrs. Judd screamed, and in endeavoring to step back to escape the expected blow she slipped and fell on her back, cutting her head severely.

Mrs. Judd's dress was torn, and she looked as if she had been roughly used. She begged the policeman not to kill her. Garrity pulled her to her feet and marched her to the police station, where the charge of disorderly conduct was entered against her.

Two citizens who had seen the whole affair, denounced Garrity to Sergt. Dunn, who was behind the desk, but he locked her up all the same. Mrs. Judd says she will go before the Police Commissioners and prefer charges igninst Garrity.

or. Carberry, the house surgeon, said to-day that the wound was not regarded as a dangerous one, and he looked for-ward to the boy's rapid recovery. Lee, who keeps a laundry on River street, was annoyed last night by small boys throwing fire-trackers into his laun-dry. He finally seized a steel file, and, running out on the sidewalk, threw it at the boys. It struck young Parnelli in the abdomen, and it remained there until it was removed by the ambulance sur-seon. The Chinaman narrowly escaped vio-lence from an angry crowd while he was

sence from an angry crowd while he was being taken to the station-house. He is held to await the result of the boy's ENGINEER HAS HYDROPHOBIA

seized by the Fireman When He Went Mad in His Cab. (By Associated Press.) ALTON, Ill., July 5 .- After the southbound Kansas City express had passed East Alton last night Engineer Robert Faul was observed by his fireman to be Faul was observed by his fireman to be frothing at the mouth, and he soon commenced barking like a dog. Realizing that his superior had gone mad, the fireman stopped the engine and threw himself upon Paul, at the saine time cailing loudity for help.

This soon came in the person of the conductor and brakeman, and Paul was bound hand and foot, the fireman running the train into Venice, where Paul lives, and turning him over to the authorities. Some time ago Paul was bitten by a dog, but paid no attention to the matter, and this is thought to be the result.

he result.

For That Reason the Inquiry Inte the Nicol Disaster Went Over. The inquests which had been set for day at the Coroner's office, over the body of Frank M. Aleer, one of the victims of the tug Nacol disaster, and into the cause of the death of Engineer Houghtaling, of the steamer Tolchesier explosion, have been postponed until July 12. All the witnesses were on hand, but Coroner holds sent down word that he was indisposed.
